

## **Vice-dean's Decree No. 6/2023 on Cancelling Registration for the Final State Examination and Completion of Study Obligations before Taking the Final State Examination**

### **Final State Examinations – February**

Students registered for the February term of the Final State Examination must complete their study obligations no later than 19 January 2024, which – should the case be so - is the latest date for cancelling their registration for the Final State Examination. No end-of-term-assessments and examinations will be administered after the above closing date.

**Graduation Ceremony will take place on Friday 28 June 2024.**

### **Final State Examination – June**

Students registered for the June term of the Final State Examination must complete their study obligations no later than 24 May 2024, which- should the case be so - is the latest date for cancelling their registration for the Final State Examination. No end-of-term-assessments and examinations will be administered after the above closing date.

**Graduation ceremony will take place on Friday 28 June 2024.**

### **Final State Examination – September**

Students registered for the September term of the Final State Examination must complete their study obligations no later than 16 August 2024, which – should the case be so - is the latest date for cancelling their registration for the Final State Examination. No end-of-term-assessments and examinations will be administered after the above closing date.

**Graduation ceremony will take place on Friday 25 October 2024.**

If a student cannot attend the Graduation Ceremony, an apology must be made to the Study Office.

**Further details will be posted on the notice bard.**

Within fourteen days after the Final State Examination, a certificate of an exit medical examination must be delivered to the Study Office.

The student status expires the day following the defence of Bachelor Project and successful passage of the Final State Examination. The student is required to notify thereof the respective health insurance company and all subjects offering student discounts.
